index	355

authors' acknowledgements

We owe a continuing debt to the many people whose advice and comments helped us with earlier versions of this material. The present book has benefited enormously from the hard work and professionalism of our editorial and design team at Oxford University Press. In particular, we would like to acknowledge the contributions of our remarkable editor, Sarah Parsons, and our equally remarkable designer, Phil Hargraves, who have made it possible for us to write the book that we wanted to, and whose input is evident on every page.
